**BREED**

Domestic Short Hair

**AGE**

6 years

**COLOUR**

Black and White

**Gizmo is a 6 year old cat. He is sweet boy but can be a little nervous. He enjoys affection on his own terms, especially head rubs. During his time here at the centre, he has chosen not to venture far from his bed, but he is litter trained and uses his litter trays every time.**

**Gizmo will need access to the outside, so will need a home that is not on a main road or near a railway line. He would benefit from a quieter home, with children aged 15+.**

**He may be suitable to live alongside another cat with a similar temperament to himself.**
