Suki is an 11 year old cat who is very nervous within the cattery.

Suki is looking for a quiet adult only home, where she is the only pet, so she can take her time to settle and get to know you so she can feel comfortable enough to show her true character.

Suki is to be rehomed as a house cat.

This assessment is ongoing and aspects may change as time goes by.

I'm a golden oldie

I need to be kept indoors

I'd prefer to be the only cat in a home
