Mickey is a sweet boy who has been slowly building up on his confidence; He enjoys receiving some affection, and will also roll onto his back for you to stroke his belly. Mickey is always found snuggled up in his bunk bed having a cat nap, he likes to nosey from his bed at what you are doing, Often him and Minstrel will be found snuggled up together in their bunk beds fast asleep. Mickey is looking for a quieter adult only home where he can keep building up on his confidence; he would need to be rehomed with his friend Minstrel
