Minstrel is a sweet girl who is still building up on her confidence. She does enjoy receiving fuss and will roll on to her back for you to stroke her belly whilst she purrs away. Minstrel loves lying in her cat tower and watching the world go by whilst enjoying a cat nap. Often, her and Mickey will be found snuggled up together in their bunk beds fast asleep. Minstrel is looking for a quieter adult only home where she can keep building up on her confidence; She would need to be rehomed with her friend Mickey.
