April the domestic shorthair cat

BREED

Domestic Shorthair

AGE

2 years

COLOUR

Tabby

April is a very beautiful little girl, who was brought to the Centre by one of the Animal Welfare Officers. April was found tied to a gate by her collar & by the looks of things, she had not long since weaned her kittens, poor lamb. April is a very loving, affectionate girl, who loves to be fussed and stroked. She is now looking for her forever home, where she can be spoilt and pampered after all that she has been through. April would benefit from being the only pet in the household. She really is a special little cat.
