Magic, Josephine, Olive and Nia the domestic short hair cat

BREED
Domestic short hair

AGE
Young Adults

COLOUR
Black, Black and white, Tabby

Josephine, Olive, Magic and Nia, were brought to the Centre when their owner died. We are hoping to adopt these beautiful cats in two pairs. They have always been together and we believe that Olive (Black and white) is the mother of the other three. They all have lovely kind natures and are very affectionate, but quite upset to find themselves in the cattery away from all they have known and loved. They are quite happy that they are all still living together, but we feel it would be very difficult for us to find somebody to adopt all four of them together. All the cats get along very well together and they they will make a great addition to most households. Josephine is the Tabby Magic is Black Olive is the larger black and white & Nia is the smaller black and white.
