Missie the domestic short hair cat

BREED

Domestic short hair

AGE

6 Years

COLOUR

Tortie

Missy was sadly returned to the centre when her owner developed asthma. Missy is a beautiful girl who enjoys attention but on her own terms. She can be quite independent and we are told that she like to spend most of her time indoors having a snooze or playing with her toys. We are looking for a home with no young children for Missy because she would like to be in a quieter home with a family who respect her boundaries. Missy is a lovely girl with a great character who enjoys a fuss but will tell you when she has had enough. If you think you could give this unlucky girl her forever home please come and see her.
