King Arthur the domestic semi long hair cat

BREED

Domestic semi long hair

AGE

2 years approx

COLOUR

Ginger and White

King Arthur came to the centre in quite a state and looked like he had been straying for quite some time. He soon settled in and was enjoying all the free food and cuddles. He thoroughly enjoys being made a fuss of and really wants to have the family all to himself so no other cats in the house and children over 8 years old. King Arthur thoroughly deserves his regal name and wants to be the king of his own castle again, he would be a great addition to the family.
