Desmond the staffordshire bull terrier cross dog

BREED

Staffordshire Bull Terrier Cross

AGE

1 year

COLOUR

Tricolour

Desmond is a lovely dog, that is very affectionate and full of energy. He would benefit greatly from training classes, as he is still a young boy and can be a little boisterous at times. Desmond knows quite a few of his basic commands, but can pull a little on his lead, this can be easily remedied with attending training classes. Desmond would prefer to be the only pet in the household, as he would like all the attention for himself he will also need to be socialised with other dogs. He loves to be fussed and stroked and will make a great addition to an active household (children 16 years+) Desmond is a super friendly dog, who deserves a lovely home.
