## Toby the collie dog

**BREED**

Collie

**AGE**

10 years

**COLOUR**

Black and white

Toby is a wonderful dog with a cheeky personality. He loves going for walks and is perfect on and off lead. Although Toby is a bit older he is still young at heart and loves showing off for treats. Toby knows most of his basic commands, enjoys playing with toys and is always looking for attention. Toby is not the biggest fan of other dogs and will bark at them from a distance, training and socialising would be advised to get him more used to spending time with dogs. Toby would need to be the only dog in the household and can live with children ages 10+.
