Joy is a lovely, energetic dog who is very giddy and bouncy. She likes to chase toys but most of all she loves to run! Joy is a lovely, affectionate girl but she does jump up and has mouthed when very excited. Joy would benefit from lots of exercise and training as she is such an active girl. She will make a great addition to most households with children aged 14+ as she is quite a boisterous girl.

I may be able to live with another dog
