AGE

5 Years

COLOUR

Brindle

Piper is a 5 year old Staffordshire Bull Terrier.

She is a friendly lady but can be a little hesitant in new surroundings, so can need coaxing with a little treat if she seems unsure. She enjoys a stroke and being made a fuss of, and will wiggle with enjoyment.

She tolerates grooming and bathing, but much prefers being outside playing with and chasing after tennis balls. We have found her to be a lovely calm girl that enjoys her food, but that needs a calm and positive introduction to new people and places.

She enjoys learning new skills but gets distracted easily and will need continued work on her recall.

The ideal home for Piper would be in an adult only home.
