Judy is our wonderful 8 year old Staffordshire bull terrier and she is searching for her forever home.

Judy is a wonderful girl with a very bubbly character, she loves to greet everyone with lots of cuddles and kisses and adores receiving plenty of attention. Judy has been picking up on her training well and gets very excited to receive some of her treats, she will need her training to be carried on in her new home. She also gets very excited to play with her toys.

Although Judy is 8 years old she is a very active girl and loves to explore, she would need an active family who can give her plenty of exercise.

Judy could live with children ages 10+ and would need to be the only animal in the home
