

## Ralphie

**BREED**  
Collie Cross

**AGE**  
1

**COLOUR**  
Black and White

Ralphie is a lovely young dog who is always on the go, he loves human interaction and enjoys a lot of fuss and attention.

Ralphie enjoys his food and responds well to training, however has a short attention span so will need someone who is willing to continue his training and always keep his mind active, being part collie mental stimulation is essential to alleviate boredom. He will need an experienced owner who is able to manage his excitable nature.

Ralphie would need an adult only home and could live with another dog depending on compatibility.

Ralphie loves his cuddles and would love a family of his own to snuggle up with on the sofa.

This assessment is ongoing and may change as time goes by.
