Shadow is a loving 3 year old boy who is always pleased to see you!

He adores fuss and attention and will love to snuggle up on your knee if given the chance.

He loves his food and his toys which are great tools for ongoing training.

He is very keen to meet other dogs, so socialising must be done in a calm and controlled manner as he is fairly giddy and vocal. However he could live with another dog depending on compatibility.

Shadow would make a great addition to most households and could live with children aged 7+
