Ivy is our very sweet 2 year old Whippet cross. She is only a small girl but has a huge personality. She absolutely loves fuss and enjoys being groomed. She is a very playful girl who loves having a wild run around in the field. She does enjoy playing with toys but is more interested in human interaction. Ivy does struggle to settle in to new environments, she will need an owner who can work with her on this and be patient with her.

Ivy knows a few basic commands and is still learning some new tricks, she is very eager to learn and will need further training in the home environment.

Ivy has lived with other dogs before so she could possibly live with another dog if compatible; she is looking for a home with children aged 10+ and no cats.
