**\*\*Special appeal\*\***

Fred is our 18 month old stunning collie who is looking for his forever home.

Fred has not had the best start in life and has been with us for quite a while. He has come such a long way in that time. When he came to us he was scared of being touched and he did not seem to have any positive experience with people and it has taken a lot of trust and time for Fred to become the cheeky and loving chap he is today. He has warmed the hearts of all the staff at the centre with how much he has grown and learned to trust.

Fred is looking for experienced working breed owners, a home with children aged 16+, an active household and a home that have the time to work on his houstraining.

Fred would love the company of a compatible dog as he has always been around other dogs and he loves meeting and playing with all dogs.

He cannot live with cats.

This assessment is ongoing and aspects may change at any time.
