Amber is a very sweet little lady who is polite, friendly and loves meeting new people.

Amber adores fuss and attention and really enjoys being stroked and groomed. Amber enjoys exploring and she really loves her walks.

Amber walks nicely on the lead and knows most of her basic commands, including "sit" and "down".

Amber is currently overweight, so her new owners will need to continue with her diet plan.

Amber could live with children aged 10 plus and would like to be the only dog in the home.
