Midnight the german shepherd dog

BREED

German Shepherd

AGE

5 years

COLOUR

Black

Midnight is a lovely energetic dog who loves toys and will play fetch for hours. Midnight loves her walks and needs an active owner. She can be strong on the lead, but does settle after a few minutes. Midnight will need ongoing training to socialize her with other dogs, although she knows most of her commands. She really is a lovely, clever girl, who will make a great addition to the right household. Midnight would benefit from being the only pet in the household (children 12+) as she is not too keen on other dogs.
