Ralph the Lurcher dog

BREED

Lurcher

AGE

7 Yrs

COLOUR

Grey

Ralph came to the centre because his owner could no longer look after him. He settled in straight away and made friends with everyone he met. Ralph loves going out for a play in the field, his favourite game being fetch and running off with the ball. He also loves having cuddles and giving lots of love. Although Ralph has lived with another dog previously, he seems to be very picky with whom he likes, therefore he may be best living as the only dog in the house and that way he can get all the attention. Ralph will need to be kept away from other dogs whilst out on walks, as he does not like socializing with them. Ralph will make a great addition to the family and due to his gentle nature could live with children 10 years old+.
