Puppies the crossbreed dog

BREED

Crossbreed

AGE

8 Weeks

COLOUR

Black

We have a lovely litter of 4 pups here at the centre, three boys and one girl. They are all wonderful little characters, full of mischief and love. They were born here at the centre and the staff have spent a lot of time caring for and falling in love with these wonderful little ones. Due to the amount of interest we receive in puppies, we will be taking multiple applications and will be conducting a sifting process in order to find these pups their perfect match.
