

Jefferey

BREED
Rabbit

AGE
2 years

COLOUR
Black and White

Jefferey is an adorable fluff ball with a cheeky personality. Jefferey can be quite nervous and is not keen on being handled, he will endure this for a little while but then wants to be put back. However, Jefferey does take food very nicely from your hand and will sometimes come and have a nosey at you when you approach. With plenty of love and attention he will build on his confidence.
