Meet Wobble

This 2 year old girl is a confident and friendly with a very cheeky personality. She has settled in to cattery life very well and loves everyone she meets. She is very playful, loving and affectionate. She can become a bit over excited when being stroked and may give you a little nibble.

Although she has 3 legs she gets around every where and loves climbing up her cat scratching post and watching the world go by.

Wobble's perfect home is an adult only home with no other pets. We believe that Wobble will be better suited as an indoor only cat.

This assessment is ongoing and may change at any point in the future.
