

## Rebel

**BREED**

Domestic Shorthair

**AGE**

3 years

**COLOUR**

Tabby

Rebel is a lovely affectionate little cat who is building her confidence up and starting to let her personality shine through.

She has taken a while to start to get settled here so will need her new owner to patient with her whilst she gets used to her new surroundings. Once she comes out of her shell Rebel is a lovely girl who is happy for a bit of fuss and a brush, although she isn't keen on being picked up.

Rebel will require a quiet adult only home and would prefer to be the only pet in the household. She will need access to the outdoors so can't live on a main road or near a railway.

This assessment is ongoing and may change at any point in the future.

If you would like more information about any of our cats available for adoption or for an application form please contact the branch.

I'd prefer an adult only household

I need to be able to go outside and explore
