Misty sadly came to us after her owner passed away.

She is a shy and quiet girl who will need time and patience when settling her into a new home.

She is a timid little cat, she is inquisitive and likes to watch what you are up to and will allow you to give her gentle affections. She does not enjoy being picked up and restrained, she prefers to come to you for attention when she seeks it, rather than the other way around.

We are looking for a quieter home for this little lady where she can be given the time and space to flourish into a confident cat.

She would like to be the only pet in the home and could live with cat savvy children over the age of 12.

At the present time you are unable to meet any of the cats prior to adoption due to COVID restrictions, however additional information/pictures/videos can be sent on request.
