## **Nala**

**BREED**  
Saluki

**AGE**  
10 months

**COLOUR**  
Black and brown

**Nala is a loving and sweet 11 month old Saluki cross.**

**Nala can be nervous around new people and new situations to begin with, and will need a patient home who is willing to build on her confidence in her own time and introduce her to new faces and situations in a calm and positive way. After a couple of meetings she comes around and she shows her affectionate, playful and hilarious side.**

**She absolutely loves to receive plenty of cuddles and fuss, and always has a cheeky smile on her face.**

**Nala is good with other dogs so could be rehomed with another dog if compatible and she would need to live with children ages 16+.**

Nala is searching for a home with an experienced owner, who will be able to understand her needs, and help build her confidence.

This assessment is ongoing and may change at any time in the future.
